

Seven More Cats Rescue

Volunteer application

Our day shift begins at 8:00 a.m. and our night shift begins at 5:30 or 6:00 p.m. We ask that you commit to at least a 2-hour block of time. You may stay longer if you wish. You may volunteer more than 1 day per week, but we ask that you commit to at least 1-day 2hrs. a day.

We encourage the volunteers to love our cats as we do. This means playing with them, brushing them, calling each one by name, and giving everyone attention every time you come. When the chores are finished, that is cat time! We strive to make our shelter as home-like as possible and that means lots of interaction with the cats.
